EXECUTIVE OFFICER

Dear Supervisors:

REQUEST TO APPROVE A CONTRACT WITH INTERNATIONAL BUSINESS MACHINES CORPORATION TO PROVIDE TECHNICAL SUPPORT FOR MAINTAINING THE CALIFORNIA STATE CHILD WELFARE SERVICES/CASE MANAGEMENT SYSTEM (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT:

Requesting your Board's approval of a contract with International Business Machines Corporation to provide technical support to maintain the California State Child Welfare Services/Case Management System (CWS/CMS) used to support child welfare operations.

CIO RECOMMENDATION:

APPROVE (X) APPROVE WITH MODIFICATION () DISAPPROVE ()

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair of the Board to execute the attached Contract with International Business Machines Corporation to provide technical support to maintain the CWS/CMS. The term of the Contract will begin on April 1, 2010 and shall expire on March 31, 2011 with three (3) one-year optional periods and one (1) six-month optional period. The Maximum Contract Sum for the period of April 1, 2010 through March 31, 2011 is \$150,000 and will be financed using 50 percent (\$75,000) Federal revenue, 35 percent (\$52,500) State revenue, and 15 percent (\$22,500) Net County Cost (NCC). The Maximum Annual Contract Sum for each of the three (3) optional years is \$150,000, and will be financed using 50 percent (\$75,000) Federal revenue, 35 percent (\$52,500) State revenue, and 15 percent (\$22,500) NCC. The Maximum Contract Sum for the fourth, and final optional term, is \$75,000 and will be financed using 50 percent (\$37,500) Federal revenue, 35 percent (\$26,250) State revenue, and 15 percent (\$11,250) NCC. The Maximum Contract Sum is \$675,000, if all options to extend are exercised, and will be financed using 50 percent (\$337,500) Federal revenue, 35 percent (\$236,250) State revenue, and 15 percent (\$101,250) NCC. Sufficient funding is included in the Department's Fiscal Year (FY) 2009-10 Adopted Budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

IBM Global Services, now known as International Business Machines Corporation, was selected by the State to enhance and maintain the CWS/CMS, a mandated statewide system that is extensively used by counties to support child welfare operations. The State has maintained an exclusive contract with IBM Global Services, now known as International Business Machines Corporation (IBM), since December 2001 to provide these services to the State. The State and Federal governments allow the Department of Children and Family Services (DCFS) to contract exclusively with IBM for county-specific technical support of CWS/CMS.

The State will be implementing the Child Welfare Services Web application, which will probably occur toward the end of the potential four year and six month term of this proposed Contract. Depending on the circumstances closer to the time of implementation, DCFS may either no longer require IBM's services under this Contract or may need to extend the term of the Contract.

The recommended actions will allow DCFS to obtain all necessary Moves, Adds, and Changes (MAC) services, support for the daily download to the Department's data warehouse, known as County Access to Data (CAD), and provide access and use to CWS/CMS. Access to CWS/CMS data will be severely hampered and the ability to serve the needs of the public and protect the children of Los Angeles County will be diminished without approval of the recommended actions.

Implementation of Strategic Plan Goals

The recommended action will provide case management proficiency and organization efficiency in delivering services to the public, and is therefore consistent with the principles of the Countywide Strategic Plan Goal No. 1, Operational Effectiveness and Goal No. 2, Children, Family and Adult Well-Being.

FISCAL IMPACT/FINANCING

The Maximum Contract Sum for the period of April 1, 2010 through March 31, 2011 is \$150,000 and will be financed using 50 percent (\$75,000) Federal revenue, 35 percent (\$52,500) State revenue, and 15 percent (\$22,500) NCC. The Maximum Annual Contract Sum for each of the three (3) optional years is \$150,000, and will be financed using 50 percent (\$75,000) Federal revenue, 35 percent (\$52,500) State revenue, and 15 percent (\$22,500) NCC. The Maximum Contract Sum for the fourth, and final optional term, is \$75,000 and will be financed using 50 percent (\$37,500) Federal revenue, 35 percent (\$26,250) State revenue, and 15 percent (\$11,250) NCC. The Maximum Contract Sum is \$675,000, if all options to extend are exercised, and will be financed using 50 percent (\$337,500) Federal revenue, 35 percent (\$236,250) State revenue, and 15 percent (\$101,250) NCC. Sufficient funding is included in the Department's FY 2009-10 Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under the California Welfare Institutions Code (WIC) Section 16501, the State was required to develop and use a statewide system to be used by counties to support child welfare operations. The CWS/CMS system was made possible through federal funds (45 CFR 1355.53) and is currently being extensively used by social workers in all California counties. Based on a 1992 State agreement, IBM is the only firm authorized to move, add or change network components, (servers and printers); certify workstation software images; and to provide daily downloads of data for counties in California, thus ensuring that the integrity of CWS/CMS is maintained by a single vendor who is entirely responsible for maintaining contractual system performance and service levels. If a county were to procure these services from another vendor, it could imperil the State's ability to ensure that CWS/CMS meets statutory requirements.

Since December 12, 2000, your Board has approved sole source contracts with IBM for the provision of services which are now being performed under the current Agreement Number 75786, which expires on March 31, 2010. All prior contracts and this proposed Contract contain provisions that were originally agreed to through protracted negotiations involving DCFS, County Counsel and IBM. During current negotiations, DCFS agreed to a deviation in the insurance provision. In Section 18.0, Insurance, Subsection 18.1.4, Failure to Maintain Insurance, DCFS agreed to exclude language specifying the County's discretion to obtain damages from Contractor resulting from breach of providing acceptable insurance within thirty (30) calendar days from the date of expiration of policy. In consideration of the foregoing, the limited scope of services to be performed, the risk allocation existing under the current Contract, and this Contract as proposed is both necessary and reasonable.

The term of the Contract will begin on April 1, 2010 and expire on March 31, 2011 with three (3) one-year optional periods and one (1) six-month optional period. The total cost of the Contract is \$675,000 for the four-year and six-month term.

County Counsel has approved the proposed Contract as to form. The Chief Information Officer (CIO) recommends approval of this Contract (See Attachment I). The Contract is included as Attachment II.

CONTRACTING PROCESS

This is a sole source procurement by negotiation, performed in accordance with the County's policy for sole source. These services fall under the jurisdiction of the Office of Systems Integration (OSI) of the California Health and Human Services Agency. OSI has approved DCFS' four-year six-month plan to continue receiving CWS/CMS support services from IBM Corporation or until the implementation of the CWS Web Application is completed. The proposed Contract is essentially the same contract your Board has approved in prior years.

DCFS has determined that the Living Wage Ordinance Program (County Code Chapter 2.201) does not apply to this Contract.

IMPACT ON CURRENT SERVICES

Approval of the proposed Contract will allow the County to continue to ensure immediate and complete access to critical case information, provide updates to that information, and perform basic essential tasks to ensure the well being of children and families maintained in the CWS/CMS system.

CONCLUSION

Upon approval by the Board of Supervisors, it is requested that the Executive Office/Clerk of the Board send adopted copies of this Board Letter and Contract to:

Project/Contract Description:

The proposed Agreement with International Business Machines Corporation (IBM) provides the Department of Family Services (DCFS) with technical support services to maintain the Child Welfare Services/Case Management System (CWS/CMS). Two types of services are provided: (a) moves, additions, changes (MACs) and upgrades for CWS/CMS hardware/software, and (b) support services associated with the daily extraction of County data from CWS/CMS to DCFS. The base contract is twelve months with three (3) one-year optional extensions and one (1) six-month extension for a maximum contract sum of \$675,000.

Background:

CMS/CWS is mandated by Section 16501.5 of the California Welfare and Institutions Code. In 1992, the State of California Department of Health and Human Services awarded a competitively bid contract to IBM for the design, implementation and operation of the CWS/CMS system. The Agreement is still in effect and IBM is the sole vendor contracted by the State to perform these required services. The State and federal government allow DCFS to contract exclusively with IBM for County specific support of CWS/CMS. The current Agreement (No.75786) for these services expires on March 31, 2010.

Project Justification/Benefits:

The State-operated CWS/CMS is a critical component in DCFS' ability to perform needed services to children and families in Los Angeles County. Convenient access to CWS/CMS and the timely download of system data are essential for DCFS staff to perform these services. This Agreement is also needed to accommodate DCFS' organizational changes that require the addition/relocation of system users, and the ability to retrieve data, statistical information, and reports.

Project Metrics:

The County's Program Manager will evaluate the success of the project through completion of MACs in a timely manner, as well as timely and accurate delivery of data downloads.

Impact On Service Delivery Or Department Operations, If Proposal Is Not Approved:

If the proposed Agreement is not approved, DCFS' access to the CWS/CMS application may be impacted. Also, problems encountered with equipment upgrades performed by the State will not be addressed and corrected, resulting in significantly reduced levels of service.

Alternatives Considered:

DCFS is mandated to use the statewide system and IBM is the current sole State vendor providing ongoing maintenance and operations. There are no other alternatives.

Project Risks:

The potential risks of this proposed Agreement are relatively small, given the limited scope of work to be performed, the vendor's familiarity in performing these services, and the established Service Level Agreement between the vendor and the State.

Risk Mitigations:

None

Financial Analysis:

The Maximum Contract Sum for the Agreement is \$675,000, if all optional extensions are exercised. The Agreement will be financed using 50 percent (\$337,500) Federal revenue, 35 percent (\$236,250) State revenue, and 15 percent (\$101,250) NCC. DCFS represents that sufficient funding is included in the Department's FY 2009-2010 Proposed Budget.

CIO Concerns:

The CIO has no concerns with approval of the Agreement.

CIO Recommendations:

The Chief Information Office recommends that your Board approve this Agreement.

Additionally, COUNTY approval of any subcontract shall not be construed in any way to constitute the determination of the allowableness or appropriateness of any cost or payment under this Agreement.
- 16.5 In the event that COUNTY consents to any subcontracting, the Subcontractor, on behalf of itself, its successors and administrators, shall assume and be bound by and shall be deemed to have assumed and agreed

to be bound by each and all of the provisions of this Agreement and any amendment hereto.

- 16.6 In the event that COUNTY consents to any subcontracting, such consent shall apply to each particular subcontract only, and shall not be, or be construed to be, a waiver of this Section 16.0 or a blanket consent to any further subcontracting.
- 16.7 DCFS, by and through the COUNTY's Program Director, is hereby authorized to act for and on behalf of COUNTY pursuant to this Section 16.0, including, but not limited to, consenting to any subcontracting.

If such audit finds that COUNTY's dollar liability for such work is more than the payments made by COUNTY to CONTRACTOR, then the difference shall be paid to CONTRACTOR by COUNTY, but in no event shall COUNTY's payments to CONTRACTOR exceed the Maximum Contract Sum identified in Section 8.0 (Maximum Contract Sums).

Such repairs shall be made as reasonable after CONTRACTOR has become aware of such damage, but in no event later than thirty (30) days after the occurrence.

- 37.2 If CONTRACTOR fails to make timely repairs, COUNTY may make any necessary repairs. All costs and expenses incurred by COUNTY, as determined by COUNTY, for such repairs shall be repaid by CONTRACTOR by cash payment upon demand, or without limitation of all COUNTY's other rights and remedies provided by law or under this Agreement, COUNTY may deduct such costs and expenses from any amounts due to CONTRACTOR from COUNTY under this Agreement.

The preceding sentence is intended only as a clarification of each party's rights, and shall not be deemed to impair any claims that a party may have against the other, or either party's rights to assert such claims after any such termination or such injunctive relief has been obtained.

47.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of this Agreement, CONTRACTOR and COUNTY do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement, except that this provision shall not be construed to diminish CONTRACTOR's obligations to indemnify, defend, hold harmless, and provide and maintain insurance hereunder.

otherwise specifically permitted by this Agreement, any such information to any person or organization other than COUNTY without COUNTY's prior written authorization that the information is releasable (except for Subcontractors); and (4) at the expiration or termination of this Agreement, return all such information to COUNTY or maintain such information according to the written procedures sent to CONTRACTOR by COUNTY for this purpose.

52.4 CONTRACTOR warrants and represents that only those CONTRACTOR and/or Subcontractor personnel required to perform the services shall have access to COUNTY Confidential Materials.

53.0 TERMINATION FOR IMPROPER CONSIDERATION

53.1 COUNTY may, by written notice to CONTRACTOR, immediately terminate the right of CONTRACTOR to proceed under this Agreement if it is found that consideration, in any form, was offered or given by CONTRACTOR, either directly or through an intermediary, to any COUNTY officer, employee or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment or extension of this Agreement or the making of any determinations with respect to the CONTRACTOR's performance pursuant to this Agreement. In the event of such termination, the COUNTY shall be entitled to pursue the same remedies against CONTRACTOR as it could pursue in the event of default by the CONTRACTOR.

53.2 CONTRACTOR shall immediately report any attempt by a COUNTY officer or employee to solicit such improper consideration. The report shall be made either to the COUNTY manager charged with the supervision of the employee or to the COUNTY Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

AMONG OTHER ITEMS, SUCH IMPROPER CONSIDERATION MAY TAKE THE FORM OF CASH, DISCOUNTS, SERVICE, THE PROVISION OF TRAVEL OR ENTERTAINMENT, OR TANGIBLE GIFTS.

55.1 Should CONTRACTOR require additional or replacement personnel after the Effective Date of this Agreement, CONTRACTOR shall give consideration for any such employment openings to participants in the COUNTY's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunities for Work (GROW) Program who meet CONTRACTOR's minimum qualifications for the open position. For this purpose, consideration shall mean that the CONTRACTOR will interview qualified candidates. The COUNTY will refer GAIN/GROW participants, by job category, to CONTRACTOR.

55.2 In the event that both laid-off COUNTY employees and GAIN/GROW participants are available for hiring, COUNTY employees shall be given first priority.

56.0 COUNTY's QUALITY ASSURANCE PLAN

COUNTY or its agent will evaluate CONTRACTOR's performance under this Agreement on not less than an annual basis. If improvement does not occur consistent with the corrective action measures, COUNTY may terminate this Agreement or impose other penalties as specified in this Agreement.

57.0 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

CONTRACTOR shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. 58.0 CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY's COMMITMENT TO CHILD SUPPORT ENFORCEMENT

58.1 Contractor's Warranty of Adherence to COUNTY's Child Support Compliance Program.

58.1.1 The CONTRACTOR acknowledges that the COUNTY has established a goal of ensuring that all individuals who benefit financially from COUNTY through contract are in compliance with

their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the COUNTY and its taxpayers.

58.1.2 As required by COUNTY's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the CONTRACTOR's duty under this Agreement to comply with all applicable provisions of law, the CONTRACTOR warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

58.2 Termination for Breach of Warranty to Maintain Compliance with COUNTY's Child Support Compliance Program

Failure of the CONTRACTOR to maintain compliance with the requirements set forth in Sub-section 58.1, Contractor's Warranty of Adherence to COUNTY's Child Support Compliance Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to the COUNTY under any other provision of this Agreement, failure of CONTRACTOR to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the COUNTY may terminate this Agreement pursuant to Section 33.0, Termination for Default, and pursue debarment of CONTRACTOR, pursuant to County Code Chapter 2.202.

59.0 CONTRACTOR RESPONSIBILITY AND DEBARMENT

59.1 A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the COUNTY's policy to conduct business only with responsible contractors.

59.2 The CONTRACTOR is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the COUNTY acquires information concerning the performance of the CONTRACTOR on this or other contracts which indicates that the CONTRACTOR is not responsible, the COUNTY may, in addition to other remedies provided in the Agreement, debar the CONTRACTOR from bidding or proposing on, or being awarded, and/or performing work on COUNTY contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by

the circumstances, and terminate any or all existing contracts the CONTRACTOR may have with the COUNTY.

- 59.4 If there is evidence that the CONTRACTOR may be subject to debarment, DCFS will notify the CONTRACTOR in writing of the evidence, which is the basis for the proposed debarment and will advise the CONTRACTOR of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 59.5 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The CONTRACTOR and/or the CONTRACTOR's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the CONTRACTOR should be debarred, and if so, the appropriate length of time of the debarment. The CONTRACTOR and DCFS shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 59.6 After consideration of any objections or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. - 59.7 If a CONTRACTOR has been debarred for a period longer than five years, that CONTRACTOR may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The COUNTY may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the CONTRACTOR has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the COUNTY.

Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

59.8.1 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

Check	JUSTIFICATION FOR SOLE SOURCE CONTRACTS Identify applicable justification and provide documentation for each checked item.
X	➤ Only one bona fide source for the service exists; performance and price competition are not available.
	➤ Quick action is required (emergency situation).
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc.
X	➤ Other reason. Please explain: International Business Machines Corporation is the only vendor who is allowed by the State and Federal government to perform services on the Child Welfare Services/Case Management System (CWS/CMS) and has been providing these services to the State under contract since December 2001.
